EXPERIENCE

MICROSOFT INDIA

Product Designer | Bangalore | On-site — Aug 2025 - Present

Worked as a Designer on the Outlook team. Collaborated with global teams to shape the improved Outlook Search experience through user research, UX audits, scenario development, in-code prototyping and user testing. Designed, prototyped and tested the tailored experience cards that transformed travel emails into timely, actionable experiences. Prototyped Outlook Highlights, an intelligent day view of your work day, bringing together tasks and actions using real enterprise data. Extended the design concepts by building and testing prototypes in actual Outlook mobile codebases and real-data environments across multiple apps, helping validate craft, interactions and technical feasibility closer to the product.

Product Design Intern | Bangalore | On-site — May 2024 - June 2024

Designed concepts for personalised multi-account workflows in Outlook, informed by research on the cross-play between doorway effect and context collapse. Audited the T20 world cup mobile theming campaign collaterals for AI and accessibility compliance. Converted to full-time after internship.

PORTONE GLOBAL

UX Design Intern | Singapore | Remote — May 2023 - Jun 2023

Conceptualised, designed and tested an interactive reconciliation analytics dashboard for PortOne, iterating wireframes and prototypes based on user research and testing. Conducted a UX audit of the payment orchestration platform using heuristic analysis and benchmarking. Designed pitch decks for clients in ASEAN region like VietJet and Haravan, simplifying complex financial concepts and enhancing visual aesthetics for non-finance audiences.

TEJOMAYA SOLAR

Design Lead | Pune | Hybrid — Oct 2021 - Dec 2021

Worked as the design lead in a team of 12, creating and prototyping solar products for Diwali. Managed dealers for injection molding, handling CAD and materials. Designed the brand's visual identity, marketing material, product packaging, and oversaw the entire production-to-dispatch process.
